

ESPRESSO VERA

60 % ARABICA, 40 % ROBUSTA

Miscela intensa: riccamente speziata con crema compatta

Preparation

Wakey-wakey!

This strong blend is a felicitous combination of three Arabica and two Robusta varieties. The Robustas produce a compact crema and deliver a caffeine kick. The nutty, chocolaty taste comes from the Brazilian beans, while the Arabica beans from Costa Rica contribute the fine, spicy notes. Vera conquers the palate with its full body and intense, long-lasting aftertaste.
