

ESPRESSO SARA

80 % ARABICA, 20 % ROBUSTA

Espresso corposo: aromatico con note di nocciola e cioccolato

Roast

Preparation

An espresso with character

The scent of almonds and dark chocolate lingers in the air when this blend runs through the espresso machine. Then its beautiful crema, full body and long-lasting aftertaste round off an indulgent experience. The green coffees for this excellent espresso blend come from coffee-growing areas in Brazil, Costa Rica, Ethiopia, Guatemala, India and Uganda. Our tip: Sara is an excellent basis for cappuccino and latte macchiato.
