

ANNA (DECAFFEINATED)

100 % ARABICA

Miscela decaffeinata: dolce, bilanciata, con note di cioccolato e frutta a guscio

Roast

Preparation

Enjoy your coffee, whenever you like

A nutty-chocolaty aroma, a fine, harmonious body, and a gentle aftertaste. Anna is a well-tolerated, caffeine-free cup of indulgence that smells and tastes exactly as coffee is supposed to, with a mild, well-balanced and harmonious taste that comes from Brazilian green beans. This is a coffee you can enjoy throughout the day, a great favourite among filter coffee fans and mocha lovers.
